## Honeycomb shades

### Superior Lift Systems:

Standard Cord: Offer a smooth and consistent ease of operation

Continuous Cord Loop: Features unique clutch system making raising and lowering easier. Available in standard cord loop, TDBU and Day & Night.

SmartFit™: Tight fit on French doors and sloped windows to minimize light leakage and maximize privacy.

Cordless: Easy to operate and eliminates cords for added beauty and safety.

Top-Down Bottom-Up (Corded & Cordless): Adjust your lighting preference and control your privacy level by lowering shades from the top to let in natural light, or raising them from the bottom like a traditional shade.

Patio Door Vertical Honeycomb Shades

Motorization: RF system; Available in cordless, TDBU and Day & Night
