

Surfaces That Inspire

SOLUTIONS THAT
FEEL RIGHT AT HOME

 **Wilsonart**[®]
— HOME —

Solutions you need. Service you deserve.

From product samples to ordering, our commitment to service is always present — even long after installation. At Wilsonart, we're proud of our products, but our people truly embody our mission to serve.

For the people who use our surfaces every day, we offer an extensive fabricator network and a best-in-class fabrication support program. Supporting our fabricators leads directly to customer satisfaction.

Our five service pillars uphold the standard for successful projects.

ON TIME

You have a vision. Let's see it through with punctual delivery that doesn't disappoint. Now.

COMPLETE & CORRECT

Our product development process is rigorous and reliable. All of our products are consistent in appearance and performance.

MATERIAL WITHOUT DEFECTS

Defects equal setbacks. Our control processes ensure quality to keep projects moving forward.

RELIABILITY

Return to Wilsonart for every project knowing you'll find reliable, end-to-end service and consistent product quality.

LOCAL INVENTORY

A robust local network means shorter lead times and a quick turnaround when the unexpected happens.

Sustainable beneath the surface.

At Wilsonart, Mother Nature guides our purpose. Sustainability isn't an aspect of what we do. It's part of who we are.

A CULTURE OF CARE

Fostering foresight. Minimizing impact.

INSPIRING EFFICIENCY

Using resources wisely. Creating efficiently.

ENDURING PRODUCTS

Lasting longer. Reducing waste.

A surface for every home application.

As the leader in engineered surfaces, Wilsonart curates a broad portfolio with on-trend designs and innovative materials. Each of our surface solutions are engineered with the look you want — and the performance you need.

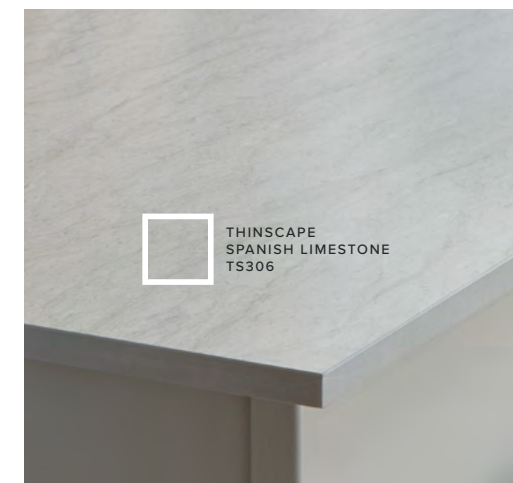

COUNTERTOPS

The perfect countertop can completely define a space. These surfaces must withstand frequent use and guarantee lasting visual appeal in any environment, including kitchens, bathrooms, and multi-purpose rooms.

Discover a full lineup of on-trend surfaces that fit any budget, stand up to everyday use in unique and traditional home environments, and maintain lasting visual appeal.

Materials include:

- **HPL (\$):** From natural stone to concrete to marble looks, Wilsonart® HPL is the customizable countertop that lasts long into the future while resisting stains and scratches.
- **THINSCAPE® Performance Tops (\$\$):** Discover a European-inspired, sleek countertop with timeless design options and exceptional durability.
- **Solid Surface (\$\$):** The seamless, non-porous intelligence of Wilsonart® Solid Surface offers limitless designs and is ideal for integrated sinks.
- **Quartz (\$\$\$):** A Wilsonart® Quartz countertop combines the look of natural stone with engineered, maintenance-free durability.

Lasting performance meets modern innovation.

No matter the home, there's a Wilsonart® Engineered Surface solution prepared to perform.

HPL

Wilsonart® High Pressure Laminate brings affordable luxury, innovative durability, and eco-friendly engineering to every project with exquisite designs and distinct finishes.

BENEFITS OF HPL

LIMITLESS DESIGN POSSIBILITIES
A wide range of looks for every style.

STAIN AND SCRATCH RESISTANT
Durable for long-lasting beauty.

ECO-FRIENDLY
Crafted from post-consumer recycled materials. UL GREENGUARD Gold certified for indoor air quality. Manufactured in the U.S.A. FSC® solutions available upon request.

AEON™ ENHANCED SCRATCH & SCUFF PERFORMANCE TECHNOLOGY
Premium AEON™ Performance Technology minimizes scuffs and scratches while beautifying your HPL and outperforming competitive finishes.

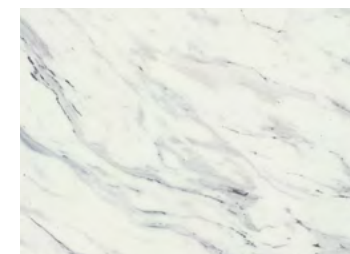

EASY TO MAINTAIN
Engineered for everyday living. Can stand up to most household and commercial cleaners and disinfectants.

VALUE
Incredible looks and performance at an affordable price.

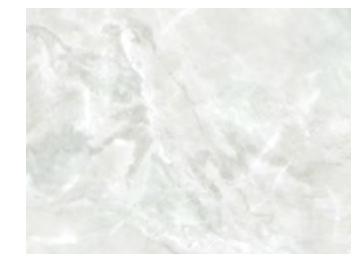

READILY AVAILABLE
Strategically located manufacturing and distribution sites allow for shorter lead times that keep projects on track.

Quartz

Wilsonart® Quartz features dynamic looks, from expressive concretes to deep veined marbles, that are durable and easy to maintain. Find a full library of additional Quartz designs at www.wilsonart.com/quartz.

BENEFITS OF QUARTZ

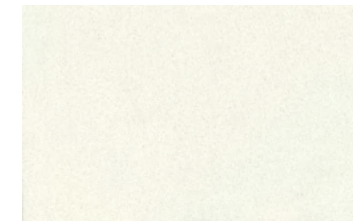

ON-TREND AND IN STYLE
Beautiful designs for every room of the house.

EASY-TO-MAINTAIN
Simple cleanup with soap and water provides easy, care-free maintenance. Non-porous and non-absorbent surfaces inhibit the growth of mold and bacteria.

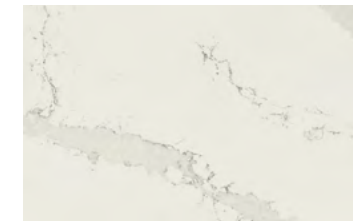

DURABLE
Highly resistant to abrasions and scratches for long-lasting beauty.

ON TIME & RELIABLE
Designs are stocked locally throughout the country to keep projects moving forward with shorter lead times.

LARGE FABRICATOR BASE
Easy to source and connect with your preferred fabricator.

BENEFITS OF WETWALL™

TIMELESS DESIGNS

Trend-aware designs coordinate well with popular bath finishes and materials.

PERFORMANCE

Patented, water-proof wall panel system withstands everyday use.

LOW COST OF OWNERSHIP

Grout-free surface wipes clean with soap and a damp cloth for lasting beauty and easy maintenance.

EASY TO INSTALL

Install in as little as 2.5 hours without specialized or dedicated tools.

FLEXIBLE SYSTEM

Panel sizes and components allow for full bathroom customization. Panels can be coordinated with benches, niches, windows, and more.

AVAILABILITY

A 7-day lead time paired with exceptional service provides on-time delivery and reliable service you can count on. Get your project started faster.

ANTIMICROBIAL

With antimicrobial protection built directly into the surface of the panel, Wetwall is protected against stain- and odor-causing bacteria, mold, and mildew.

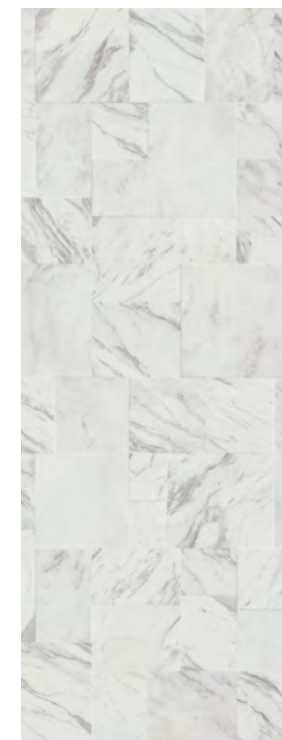

AEON™ ENHANCED SCRATCH & SCUFF-RESISTANT PERFORMANCE TECHNOLOGY

Living with Wetwall panels is easy, thanks to AEON™ Enhanced Scratch & Scuff-Resistant Performance Technology. AEON™ is proven to outperform other surfaces with similar finishes.
